

To our valued Marco guests,

Our last day of service was Friday July 1st.

We did not come to this decision easily. It has become clear that it is not in our best interest to renew our lease during these uncertain economic times.

We have worked hard and given our all, but continue to face ongoing staffing challenges, unending price increases on all levels, and have continued to make many personal sacrifices while running a small business during a global pandemic.

To all of you we say "Thank You"

It was a fantastic journey! All of us here, owners and staff, are truly rewarded by the relationships and support we have found at Marco. You have embraced us, supported us, encouraged us, and prayed for us during our toughest days. You are the best customers in town, and we are grateful to have served you.

Grateful, thankful and blessed!

Rick and Beth
Mike and Kelly
